

**LEAP SUMMIT 06**  
**Life Science Outreach Showcase**

**UW South Campus Center**

**February 4th, 2006**  
**9am-3:30pm**

**[www.nwabr.org/education/summit06.htm](http://www.nwabr.org/education/summit06.htm)**

An informational forum for teachers and school district administrators about life science education outreach opportunities in the Puget Sound region.

- Learn about the many outreach and professional development opportunities available to teachers in our region
- Educational and vocational program representatives available on site
- Network with teachers, industry partners, and other attendees
- Attend research presentations from local scientists
- Participate in panel discussions on science education with local leaders

**Sponsored in part by the**  
**Workforce Development Council of Seattle - King County**  
**University of Washington**

Full announcement, including summit program, available in mid-December

**Organized by the 2006 Summit Planning Group:**
