

SLUGs Present a Special Tapas

André Lieber, MD PhD
Research Associate Professor
UWSOM, Medical Genetics

UNIVERSITY OF WASHINGTON
SOUTH LAKE UNION GROUP

Oncolytic Adenoviruses: Progress and Challenges

South Lake Union Building
Thursday, August 4, 2005, 4:00 p.m.
First Floor Auditorium

"Criminy! Kevin's oozing his way up onto the table. ... Some slugs have a few drinks and just go nuts!"

Many thanks to Gary Larson
