

New facilities. Same heart.
See what's new at the Regional Heart Center.

**Open house on June 13 from 4 to 7 p.m.
at UW Medical Center
1959 NE Pacific, Seattle, WA**

We've made some exciting changes at the UW Medicine Regional Heart Center. In addition to our world-renowned physicians, compassionate care, and leading-edge breakthroughs, we now have brand new facilities, the very latest equipment, and even easier patient access. But one thing hasn't changed. We still deliver the most comprehensive cardiac care in the Northwest.

For additional information please
call (206) 598-4300.
