List specimens submitted (including ID information) and services requested. Attach additional sheets if necessary:

Service	Price	Unit	Qty	Total	Details
Trim & cassette	\$5	each			Micron thickness (4 μm is standard) _____ Baked Not Baked (circle one) # slides _____ # sections per slide _____ Note: Superfrost plus slides are standard
Process & embed tissue, paraffin/ methacrylate	\$10	block			
Process & embed tissue, frozen	\$16	block			
Section/Recut paraffin/methacrylate block *	\$10	block			
Section frozen block*	\$15	block			
Unstained slides - SuperFrost Plus	\$3	each			
Decalcification	\$8	each			
Paper slide tray (20 slides)	\$13	each			
Slide storage box (100 slides)	\$15	each			
Slide storage box (25 slides)	\$5	each			

* Serial sections/aortic root/composite slides take extra time and you may be billed for tech time

Histology Stains				
Service	Price	Unit	Qty	Total
H & E, Oil red O	\$8	slide		
PAS, Picrosirius, Trichrome	\$10	slide		
Silver methenamine, MOVATS	\$31	slide		
Other, please list:	varies			
Richardson's/Toluidine Blue	\$8	slide		

Electron Microscopy				
Service	Price	Unit	Qty	Total
Process & Embed	\$10	block		
Thick section	\$9	block		
Thin section (~1 hour)	\$39	block		
Scope time	\$109	30 min		

In Situ Hybridization				
Service	Price	Unit	Qty	Total
Probe labelling	\$91	each		
Plasmid linearization	\$20	each		
In Situ Hybridization, ≤ 48 slides	\$913	batch		

Morphometric Analysis				
Service	Price	Unit	Qty	Total
Atherosclerosis, aortic root	\$102	each		
Kidney- Glom. Size and %Matrix	\$102	each		
Kidney -Interstitial Fibrosis	\$81	each		
Other:				
<i>includes processing, sectioning, staining and 1 hour of analysis/animal</i>				

Immunohistochemistry				
Service	Price	Unit	Qty	Total
IHC/FITC staining*	\$20	slide		
Batch staining (≤ 48 slides)	\$306	batch		
New antibody workup***	\$306	batch		
TUNEL (Apoptag plus)	\$44	slide		
Antibodies requested:				

Tech Time and Miscellaneous Work				
Description of service	Price	Unit	Qty	Total
	\$49	hour		

*** Please circle substrate & counterstain requested**

** price is \$314 plus cost of primary antibody

***for new antibody workup investigator must provide primary antibody

*Substrate: **DAB** **VIP** **NovaRed** **AlkPhos Red**

*Counterstain: **Hematoxylin** **Methyl Green** Other: _____

*IF: **FITC** **TexasRed** AlexaFluor (color _____)

Work Order Total	\$0
Orders from outside the UW will be charged 15.6% indirect	
Total with indirect charges	\$0
